Our Product Introduction

### Product Description

## ELFBAR 4in1 Electronic Cigarette

### Product Overview

The ELFBAR 4in1 delivers a refined vaping experience with its sleek design, user-friendly interface, and versatile functionality. The device's compact form factor and comfortable grip make it easy to use, while its durable construction ensures longevity. The 4in1's transparent drip tip and metallic finish enhance its visual appeal, and the All-in-One Vape experience offers a balanced and enjoyable draw with every puff.

### Key Features

**Diversified Flavors:** The Elfbar 4in1 device typically comes with four different 2ml pre-filled pods, allowing

users to easily switch flavors with a simple twist, making it ideal for e-cigarette users who enjoy trying a variety of flavors.

**Long-lasting Battery Life:** The device is equipped with a rechargeable battery of either 850mAh or 1500mAh, providing up to 3200 puffs of smoking experience, depending on the battery capacity.

**Eco-friendly Design:** The Elfbar 4in1 device serves as an environmentally friendly alternative to disposable e-cigarettes because its battery can be recharged and used repeatedly, and the pods can be replaced after use.

**Easy to Operate:** The device uses draw-activated technology; users simply insert and twist the pod to the correct position and then inhale to use.

**Multiple Modes:** Some versions may include both normal and eco modes, allowing users to adjust the battery usage and smoking experience according to their needs.

**Flavor Selection:** The Elfbar 4in1 offers a variety of pod flavors, including fruit, cool, and classic soda fusion tastes, catering to different user preferences.

**Convenient Charging:** The device supports charging through a USB Type-C port, allowing users to charge the device quickly and conveniently.

**Screen Display:** Some devices may come with a screen that shows the battery charge level, helping users monitor the battery status.

**Environmental and Economical:** Designed for reuse, the Elfbar 4in1 is more environmentally friendly and economical than disposable e-cigarettes.

**Pre-filled Pods:** The Elfbar 4in1 usually contains pre-filled pods with 20mg of nicotine salt, providing a strong nicotine delivery, suitable for users who prefer a more intense nicotine experience.
