New Kit. 3 Pods In.

More Puff. More Savings.

Tired of constantly buying and changing pods? G5 fixes that. 1 kit includes 3 pods, with the new ultra long-life GPP Alpha Cartridge inside. It's not just more pods. It's less hassle, less cost.

GPP Alpha Cartridge

Engineered for Ultra-Long Lifespan.

Powered by the new AlphaCore longevity technology, the GPP Alpha Cartridge delivers stable flavor and extended lifespan, so you can vape longer and replace less. The ergonomic soft-touch TPU mouthpiece ensures smooth, gentle comfort for all-day use. (also upgraded in GPP Cartridge's mouthpiece)

The Alpha Experience

**No Weak Points.
No Flavor Drop.**

GPP Alpha Cartridge delivers unrivaled flavor stability from first to last puff, with boosted aroma for a fully immersive sensory experience.

Engineered with an ultra-long lifespan coil for lasting value, its advanced leak-proof design ensures mess-free, consistent performance wherever you go.

Smart Triple-Tap Switching

Your Shortcut to Everything.

Skip complicated buttons. With the built-in tap sensor, assign key functions—switching mode, UI, or brightness—to a simple triple tap. Even when it's hard to see the screen, you can switch instantly. Operate effortlessly while walking, at parties, in low light, or under bright sunlight. Just intuitive, triple-tap anywhere to control.

Premium in Hand. Smooth on Draw.

Aluminum Alloy Matte Finish

Crafted from premium aluminum with a refined matte surface that resists fingerprints and smudges, delivering a sophisticated look and an exceptionally smooth, comfortable grip.

Stepless Airflow Control

The side-mounted AFC lets you fine-tune your draw smoothly, from a tighter MTL to a looser RDL.

GPP Cartridges Compatible

All cartridges in G Pod Platform (GPP) are compatible with CALIBURN GPP series devices.
